

Alignment of the SAFE-T1 teaching and learning units to VCAL units

Note: The activities in the SAFE-T1 units are designed to **support** student learning but may also be used for assessment purposes. If the activities are to be used as assessment tasks, teachers should **check the relevant curriculum document**, e.g. the VCAL Curriculum Planning Guides, to ensure all the elements are covered and the activity is consistent with the unit purpose statement.

VCAL Unit	Foundation	Intermediate	Senior
Work Related Skills 1	Absolute shockers	Absolute shockers	Absolute shockers
	Acting out	Acting out	Acting out
	Ads across the airwaves	Ads across the airwaves	Bust a rhyme not an arm
